

### **BC Pension Corporation recognized today as one of BC's Top Employers for 2020**

Victoria, February 19, 2020 – BC Pension Corporation was recognized today as one of BC's Top Employers for 2020 by MediaCorp Canada Inc., organizers of the annual Canada's Top 100 Employers competition.

Regional organizations are evaluated by the editors of Canada's Top 100 and are compared with other industry leaders to determine which of those offer the most progressive and forward-thinking programs. Employers were evaluated by the editors using the same selection criteria as the national competition: physical workplace; work atmosphere and social; health, financial and family benefits; vacation and time off; employee communications; performance management; training and skills development; and community involvement.

“This award is a testament to our maturity as an organization,” said Laura Nashman, CEO. “It’s an acknowledgement of all the people who make our organization a special place to work.”

The full list of BC's Top Employers for 2020 was announced today in a [special magazine](#) published in the Vancouver Sun. Detailed reasons for selection for each of the winners, with hundreds of stories and photos, were released by the editors today and are available on the [competition homepage](#).
